TIME SAVING OF THE MONT CENIS TUNNEL. -The Homeward Mail of November 27th says: The actual saving of time by the Mont Cenis tunnel has been ascertained and the various routes compared at a recent conference of representatives of Continental railways. The journey from London to Alexandria by the present routes, via Brindisi and the Brenner Pass, is timed to occupy 150 hours. It is estimated that this might be compressed into 133½ hours. But as the saving has not been attempted during all these past months, it is only fair to contrast the time fixed for the journey through the tunnel with the number of hours now occupied, and frequently exceeded. If the mail left London as now at 8.35 on Friday, it would, according to the service proposed, reach Paris at 7:20 on the morning of Saturday, leave Paris at 9 A. M., and reach Modane at 11:45 P. M. the same day, Bologna at 10:30 A. M. on Sunday, arriving at Brindisi at 2.10 A. M. on Monday and Alexandria at 10:10 on the morning of Thursday, the entire journey occupying 133½ hours.

A BAD MARKSMAN.-In New Albany, Ind. a few nights since, a policeman in attempting to arrest a man had occasion to draw his pistol, and thinking to scare the prisoner discharged his revolver, but so badly was the weapon aimed that the bullet entered the mouth of the policeman and lodged in his head.

ATTANS CRYSTAL DISCOVERY NATTANS CRYSTAL DISCOVERS which is the only article entirely harmless which restores gray hair to its natural color and youthful appearance.
NATTANS' CRYSTAL DISCOVERY

contains no poisonous substances, no sugar-oflead, sulphur or nitrate of silver. NATTANS CRYSTAL DISCOVERY restores gray hair in from three to ten days in every instance. We warrant it. NATTANS' CRYSTAL DISCOVERY

supplies the hair with new vitality, and hence NATTANS' CRYSTAL DISCOVERY is perfectly cleanly; it does not soil the finger nails, the finest fabric or anything else. Jewelry, which has been blackened by the various sulphur preparations, it not only does not dirty,

but if applied will beautifully cleanse. Try it

NATTANS' CRYSTAL DISCOVERY

makes dry and brash hair moist and glossy,
without, however, making it sticky, as other
dirty articles of this kind do. Pomades and
oils may be used, if desired, with this preparation, without impairing its usefulness.
NATTANS CRYSTAL DISCOVERY restores hair to its natural color in a few days

NATTANS' CRYSTAL DISCOVERY has, in a number of instances, produced a new growth of hair; though it is not claimed that it will be successful in every case.

NATTANS' CRYSTAL DISCOVERY

is put up in large bottles, containing over half as much more as any other in the market, while its effects are more prompt and positive; therefore, it is certainly the most economical article in use. In short, there are a thousand reasons why you should use it in preference to any other-reasons which have induced the masses who use hair restorers to use it-and chief among which is the perfect safety with which you can apply it. Try it, if you have not done so already, and though you may have used something before, or for years even, yet we can assure you that after giving CRYSTAL DISCOVERY a trial, you will gladly diseard your previous favorite. If your druggist has not got it, take no other, for this is the only preparation you can use with safety, and which will perform its functions promptly. Ask him to get it for you. Price one dollar.

Baltimore Lock Hospital. DR. JOHNSTON, Physician of this celebrated institution, has dis-

covered the most Certain, Speedy, Pleasant and Effectual Remedy in the world for all DISEASES OF IMPRUDENCE. Weakness of the Back or Limbs, Strictures, Affection of the Kidneys or Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspdpeia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight, or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible Disorders arising from Solitary Habits of Youth—secret and solitary from Solitary Habits of Youth—secret and solitary practices more fatal to their victims than the songs of the Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or an-

ticipations, &c. YOUNG MEN.

Especially, who have become the Victims of Solitary Vice, and dreadful and destructive habits which annually sweep to an untimely grave thousands of young men of the most ex-alted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to extacy the living lyre, may call with full confidence. MARRIAGE.

Married persons, or Young Men contemplating marriage, aware of Physical Weakness (Loss of Procreative Power-Impotency,) Nervous Excitability, Palpitation, Organic Weakness, Nervous Debility, or any other Disqualification, speedily relieved.

ORGANIC WEAKNESS. Immediately cured and Full Vigor Restored. miserable and marriage impossible—is the penalty paid by the victims of impropuratually encies. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the natural powers are lost sooner by those fall ing into improper habits than by the prudent? Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms of both body and mind arise. The system becomes deranged, the Physical and Mental Functions weakened. Loss of Procreative Power Nervous Irritability, Dyspepsia, Palpitation of the Mail Train makes close connection at Hamilton with Kemp's line of Stages to and from Winchester; also at Leesburg with Reamer's line of Coaches for Aldin and Mindal and Mental Functions weakened. This distressing Affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improp r n dulg Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility and Wasting of the Frame, Cough, Consumption Decay and Death.

A CURE WARRANTED IN TWO DAYS Relief in Six Hours! No Mercury!

DR. JOHNSTON

Member of the Royal College of Surgery of London, Graduate of one of the most enfinent Col-leges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness. with frequent blushing, attended sometimes with derangement of mind, were cured immediately

TAKE PARTICULAR NOTICE. Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or mar-

These are some of the sad and melancholy etets produced by the early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Func-tions, General Debility, Symptoms of Consump tion, &c. MENTALLY.-The fearful effects on the mind

are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced. Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and

emaciated, having a singular appearance about the eyes, cough and symptoms of Consumption

YOUNG MEN Who have injured themselves by a certain prac tice, already described, a habit frequently learned from evil companions or at school, the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply im-

mediately. What a pity that a young man, the hope of his country, the pride of his parents, should be snatched from all prospects and enjoyment of life by the consequence of deviating from the path of nature, and indulging in pernicious habits. Such persons must, before contemplat-

MARRIAGE.

Reflect that a sound mind and body are the most necessary requisites to promote connubial happiness, Indeed, without these the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view, the mind becomes shadowed with despair, and filled with the me'ancholy reflection that the happiness of anoth, is blighted with our own.

DISEASE OF IMPRUDENCE.

Whea e misguided and imprudent votary of pleasur inds that he has imbibed the seeds of this pain al disease, it too often happens that an ill-times ense of shame or dread of discovery deters him from applying to those who, from education and respectability, can alone betriend him, delaying till the constitutional symptoms of this horrid disease makes their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commisseration till death puts a period to his dreadful suffering, by sending him to that undiscovered country "from

whence no traveller returns." It is a melancholy fact that thousands D) Evictims to this terrible disease, through falling into the hands of ignorant or unskilful PitE-TENDERS, who, by the use of that deadly Poison, Mercury, &c., destroy the constitution, and incapable of curing, keep the unhappy suf-ferer month after month taking their noxious injurious compounds, and instead of being re-stored to a renewal of Life, Vigorand Happiness in despair leave him with ruined Health to sigh over his galling disappointment.
